PARKING

Alice suggests that the "driver" drop off passengers at the front entrance, then park the car.

The best option is to park at the Pentagon City Mall although there is a slight fee (see below). Otherwise, there is street parking but it is metered and the Arlington Police will ticket and/or boot cars that are illegally parked or meter time runs out. However, parking on Saturday evening may not be metered.

The rates for parking at the Pentagon City Mall:

Garage parking access is available from 15th Street.

Saturday and Sunday parking fees are: 0-2 hours (\$1.50) ; 2-10 hrs (\$2); and 10-24 hrs (\$16)

Back Entrance for Metropolitan at Pentagon City

There is a street behind the apartment building that connects it to the Pentagon Mall parking lot. So, if people park at this parking lot, they can walk along this back street to get to my building. There is an awning "The Metropolitan at Pentagon City" on one side and Nordstrom is on the other side of this street. The **Party Room** is along this street so our guests can probably see us.

To Enter the Building

A Front Desk receptionist will buzz guests in. If the receptionist is not at her post, call the following on their cell phones to open the door for you:

Alice (703)-589-2579 or
Babes (267)-939-0103 or
Rico (703)-599-5576

The "Great Room" (or "Party Room") is on the ground floor.

Via Metro

Take the Blue or Yellow lines which stops at the Pentagon City Metro.

After exiting the Metro ticket turnstile, turn left up the escalator to ground level. Do NOT take the escalator into the Mall.

Once outside, facing the Ritz Carlton Hotel, take a left towards the Nordstrom entrance. Do NOT enter.

When facing Nordstrom's, the rear entrance to Alice's apartment building is visible on the left.

Walk towards the awning-ed entrance of the "The Metropolitan at Pentagon City". Call Alice (703-589-2579) to let you in the back entrance.
